

September 24th is National Voter Registration day

Wilmington DE – September 24th is National Voter Registration Day. Get ready for next year's elections by registering to vote or updating your voter registration record with a new address, name or party affiliation. You can use Delaware's online voter registration tool at <https://registertovote.elections.delaware.gov/> to complete the form. You have to download, print and sign the form and then send it the Department of Elections for your county. Contact the State Election Commissioner or the Department of Elections for your county if you have any questions. Contact information for the State Election Commissioner and the Departments is at <http://elections.delaware.gov/locations.shtml>.
